LITIGATION

No. 2:12-md-02323-AB  
MDL No. 2323

**Hon. Anita B. Brody**

**ORDER PURSUANT TO SETTLEMENT IMPLEMENTATION DETERMINATION**

On April 12, 2019, this Court denied an objection by the NFL Parties, and found that the Special Master did not abuse his discretion when he decided not to consult a member of the Appeals Advisory Panel (AAP) and/or an Appeals Advisory Panel Consultant (AAPC) when reviewing 17 claims that “turn[ed] on technical, medical grounds.” *See* ECF No. 10528. The Court reserved decision on the claim submitted by SPID 100004715, pending results of an inquiry by the Special Investigator. That inquiry has now concluded, and found clear evidence of a false affidavit in the claims package.

Therefore, this 24<sup>TH</sup> day of April, 2019, the claim submitted by SPID 100004715 is **REMANDED** to the Special Masters.
